REPUBLIC OF THE PHILIPPINES)
MAKATI CITY) S.S.

DECLARATION

I, Leo D. Venezuela, of legal age and resident of 89 Washington St, Merville Park, Paranaque City, after having been sworn in accordance with the law, hereby depose and state:

 I submit this declaration ("<u>Declaration</u>") in the above-captioned Arbitration between Claimants Global Gaming Philippines LLC ("<u>GGAM</u>") and GGAM Netherlands B.V. and Respondents Bloomberry Resorts and Hotels Inc. and Sureste Properties, Inc. (together, "<u>Bloomberry</u>"). I make this declaration in support of Bloomberry's Statement of Defense to GGAM's Statement of Claim, as well as Bloomberry's Counterclaims against GGAM.

Personal Background

2. I am currently the Director for Investor Relations at Bloomberry Resorts Corp ("BRC"). I have held this position since I was hired by BRC on April 15, 2012. Prior to working at BRC, I worked at multiple reputable financial institutions in Asia. From 2004 to 2007, I worked as Senior Investment Analyst for ATR KimEng Securities Inc. covering the consumer, property and ports sectors. In 2007, I moved to CLSA Phils. Inc. where I was a Senior Analyst covering the property, gaming, construction, cement, oil and gas and airline sectors and stayed there until 2012 when I moved over to BRC.

Road Show for the Top-Up Offering

- 3. When I joined BRC in April of 2012, the company was in the middle of its "road show" for the top-up offering of BRC shares (the "BRC Offering"). I immediately began participating in the BRC Offering process, and attended several road show presentations to investors located in Asia.
- 4. As the Director for Investor Relations of BRC when the BRC Offering was completed, I have personal knowledge of the results of the BRC Offering. Attached as Exhibit A to this declaration is an excel spreadsheet of the "final book" for the BRC Offering, which lists the investors in BRC, the amount of shares each investor offered to purchase (the "Demand"), and the amount of shares that each investor was ultimately allocated to purchase (the "Pot Allocation"). This excel spreadsheet was sent to me via email by UBS, one of the two underwriters for the BRC Offering. Attached as Exhibit B is a PDF printout of Exhibit A. I affirm that the content in Exhibits A and B is accurate and correct to the best of my knowledge.
- 5. The issue price under the BRC Offering was set at Php 7.50 per share. The BRC Offering was more than 6 times oversubscribed, which means that the investors who purchased shares under the BRC Offering would have purchased more than 6 times as many shares had there been enough shares available to purchase. Specifically, as can be

/m

11. Attached as Exhibit C to this Declaration is an excel sheet identical to Exhibit A, but in this version I have highlighted all of the investors that participated in ICTSI's 2007 and/or 2013 share placements. I have also included certain relevant calculations for these ICTSI investors, including the Demand by the ICTSI investors, the Pot Allocation for the ICTSI investors, and the Demand by the ICTSI investors as a percentage of the Pot Allocation for all investors. Included as Exhibit D to this declaration is a PDF printout of Exhibit C. I affirm that the content of Exhibits C and D is accurate and correct to the best of my knowledge.

IN WITNESS WHEREOF, I have hereunto set my hand this 7th day of December 2014 in Makati City.

LEO D. VENEZUELA

SUBSCRIBED AND SWORN to before me, this 7th day of December 2014, by Leo D. Venezuela, who exhibited to me his Driver's License with No. N04-87-053795 expiring on May 22, 2015.
